PRESIDENT'S REPORT.

Dear Brethren:

As required by the Constitution of Synod, I submit for your consideration my official report for the year ending this day. Grateful for the Divine blessing and guidance of the year past, let us in the fear of God enter upon the discharge of the duties now before us, trusting to His gracious direction, and in faith that His blessing will attend wisely planned and faithfully executed efforts for the extension of the Redeemer's Kingdom.

DEATH OF REV. D. P. CAMMANN.

Since our last Convention, Rev. D. P. Cammann has been called from the scenes of his earthly labors. It will be your duty to adopt such action in reference to his death as may seem to you appropriate.

RESIGNATIONS AND DISMISSIONS.

October 18, 1880, at his request, I gave to Rev. G. A. Hough a dismissal to unite with the Evangelical Lutheran Synod of Georgia and adjacent States.

November 3, 1880, I dismissed Rev. Wm. Stoudenmire to unite with the Evangelical Lutheran Synod of Maryland.

February 3, 1881, Rev. J. F. Probst informed me that he had resigned Pastorate No. 1, Barnwell County, to take effect March 1, 1881.

ADMISSIONS, INSTALLATIONS, ETC.

January 7, 1881, I received Rev. L. K. Probst as a member of this body upon his dismissal from the Evangelical Lutheran Synod of West Pennsylvania, and was informed by him that he had accepted a call from Wentworth street Evangelical Lutheran Church, Charleston, and had entered upon his duties as pastor thereof. At his request, Revs. J. H. Honour, D.D., and J. F. Probst were appointed to perform the ceremony of his installation, which duty was attended to by them on the 18th of February, 1881.

On January 14, Rev. B. Kreps notified me that he had accepted a call from Union Church, Lexington County, and had entered upon his work as its pastor.

On February 18, Rev. J. F. Probst informed me that he had accepted a call from Pastorate No. 2, Orangeburg County, to take effect March 1st following. Revs. J. Hawkins and J. F. Kyser

were appointed to install Rev. J. F. Probst as pastor of said charge. This duty was performed by them April 24.

August 23, upon his honorable dismissal from the Evangelical Lutheran Synod of Virginia, I received Rev. J. B. Haskell as a member of this body.

TRUSTEES OF NEWBERRY COLLEGE.

The Committee, under resolution of Synod, charged with the election of six Trustees of Newberry College for three years, informed me, November 15th, that they had met and elected by ballot the following, to-wit: Rev. J. A. Sligh, G. S. Mower, Esq., W. J. Assmann, Esq., Rev. E. T. Horn, C. H. Lubber, Esq., and D. B. Wheeler, Esq.

DELEGATES TO GENERAL SYNOD.

It will be your duty at this meeting to elect delegates to the General Synod, South, which will meet in May next.

REPORT ON THEOLOGICAL SEMINARY.

I hand you herewith report of Professors of Theological Seminary, upon which you will take such action as may be proper.

BENEFICIARIES.

Messrs. J. W. S. Sheppard and M. O. Kreps, now at the Theological Seminary at Salem, Va., make application for continued aid. As to their character, industry and success in study, you are referred to the accompanying letter from Rev. Dr. Repass.

Messrs. M. M. Kinard and H. F. Shealy, students in Newberry College, and accepted as beneficiaries at your last meeting, make application for aid. I hand you the appended monthly reports of their college standing for information as to their worthiness of assistance.

MISSIONS.

I hand you the letter of Rev. C. P. Bansemer, of Jacksonville, Fla., for your consideration.

Urgent calls come to us for a traveling missionary in the bounds of our Synod. It is hoped that, through the agency of the Children's Missionary Society, or other proper means, steps may be taken to secure at once the services of a suitable missionary to look after our unsupplied churches and organize into congregations membership now neglected. Our people should also have laid upon their consciences the duty to contribute regularly and more liberally to the cause of foreign missions.

VISITATIONS.

At the written request of the Joint Council of Pastorate No. —, composed of St. Stephen's, St. John's and Providence Churches, Lexington County, I visited said pastorate in September last and met the Joint Council. Said council unanimously resolved to sustain the action of the Committee of Synod which had constituted said pastorate. An election for pastor was ordered. No pastor was elected, the vote lacking two of the two-thirds constitutional majority. This charge will be represented in this body by a regularly elected delegate, who will come up asking such advice and action from you as will promote the peace and growth of the charge and save to our Church important material and interests in that section.

I hand you herewith papers relating to Theological Seminary Fund for such disposition and action as may be required.

Praying that the Great Head of the Church may grant unto you His grace and the guidance and fellowship of His Spirit in the deliberations of this session,

I am yours fraternally in Christ,
G. W. HOLLAND.

REPORT OF COMMITTEE ON PLAN FOR A SYNODICAL SUNDAY SCHOOL CONVENTION.

Your Committee charged with the duty of devising a plan for a Synodical Sunday School Convention, have had the mat-

ter under consideration, and have decided that, however desirable such Convention may be and certain we are of good resulting therefrom, nevertheless, owing to the great distance from each other of our churches and the necessary expense of such Convention, and the inability of any of our more central churches to entertain such Convention, therefore we deem it inexpedient to attempt it at present.

We would, however, respectfully suggest that Sunday School work should receive more attention in our Synodical meetings, and that the Synod provide for the holding of an annual Sunday School Convention in each of our Conferences, as the Newberry Conference has done for the last two years with much profit to the Sunday schools within its bounds.

 \$1,518 30

Your committee find that the Treasurer has borrowed the sum of \$100. We recommend that, if it be necessary, he be authorized to pay the interest due thereon.

GEO. S. HACKER,
FR. HIMMELREICH,
H. H. FOLK.

Report of Executive Committee was received and referred to Committee on Appropriations.

REPORT OF EXECUTIVE COMMITTEE.

The Executive Committee held a meeting after Synod, and, understanding that the Synod had placed \$200 at their disposal, appropriated \$100 to Rev. J. H. Wilson; \$50 to Rev. G. A. Hough, and \$50 to Rev. C. F. Bansemer. Rev. Wilson accepted the mission at Early Branch upon this appropriation.

It was afterwards decided that the \$200 appropriated to the Executive Committee had been already appropriated by Synod to Rev. J. F. Kyser, of Orangeburg. As the Committee had no funds and no authority, we met no more, and, consequently, have no further report to make.

Respectfully submitted,

J. HAWKINS,
Chairman Executive Committee.

REPORT OF PRESIDENT OF COLLEGE.

NEWBERRY, S. C., June 21st, 1881.

To the Board of Trustees of Newberry College:

1. Through a kind Providence, Newberry College has been permitted to close another scholastic year. The exercises of the session of 1880-81 were continued, excepting a short recess at Christmas, without interruption from the opening on third Wednesday in September last. The number of students enrolled during the year was 113, with a daily average attendance of about 90. Of the 113, 44 were properly in the boys' school, the remaining 69 being distributed as follows: Seniors 4; Juniors 5; Sophomores 16; Freshmen 19, and Class Preparatory 25. The conduct and industry of the students have been worthy of commendation.

2. Under instructions given by you at your last annual meeting, the Faculty employed Mr. B. W. Bittle, of Texas, as Principal of the Preparatory Department. This action is submitted for your approval.

3. Messrs. W. J. Cherry and W. Gustav Houseal having successfully completed the prescribed classical course, and J. R. Leavell, Jr., the prescribed philosophical course, are recommended for the degrees of Bachelor of Arts, and Bachelor of Philosophy, respectively.

4. Messrs. I. P. Hawkins, W. E. Lake, J. Q. Wertz and J. B. Wingard, Bachelors of three year's standing, having creditable sustained themselves in scholarly pursuits, are recommended for the honorary degree of Master of Arts.

5. I herewith hand you the resignations of Prof. G. B. Cromer as Professor of Latin, History and Political Science, and of Prof. G. G. Sale as Professor of Mathematics, Physics and Astronomy.

6. I also hand you the application of Prof. J. S. Koiner for the chair of Latin, &c., with testimonials appended.

Also application of Mr. J. M. Hantz, with testimonials, for the same chair.

Also the application, with testimonials accompanying, of Prof. B. W. Bittle, for the chair of Mathematics, Physics and Astronomy.

7. With your permission, granted at the meeting in October last, the Faculty employed Rev. S. P. Hughes during months of January, February and March as a Financial Agent to secure funds for the completion of the building, &c. It is with appreciation of the energy and tact of Mr. Hughes, and with gratitude to Him who holds the hearts of men as in his hand, that we report that the application made by Mr. Hughes to the citizens of Boston for aid met with a generous response. The agency of Mr. Hughes was undertaken at the earnest solicitation of the Faculty; the clerical members of the Faculty gratuitously filling Mr. Hughes' pulpit during his absence. The only cost to the agency therefore, was the necessary traveling expense, &c. The amount netted to the College by this effort was \$1,875.00.

It is suggested, that you express by suitable resolution, your appreciation of the help afforded the College by generous friends of education of Boston.

8. It is recommended that the scholastic year begin with the first school day in October, and end on the fourth Wednesday in June.

9. As per resolution of last annual meeting, the report of the Treasurer of the Board is herewith submitted.

Praying that you may have Divine guidance in your deliberations and decisions,

I am, yours in Christ,

G. W. HOLLAND,

President.

REPORT OF PRESIDENT OF BOARD OF TRUSTEES
OF NEWBERRY COLLEGE.

The Board of Trustees of Newberry College held its annual meeting in the town of Newberry on the 21st and 22d of June last, and an adjourned meeting in the same place on the 13th and 14th of July last.

The officers of the Board for the present scholastic year are: Rev. J. D. Shirey, President; Y. J. Pope, Vice President; Rev. H. S. Wingard, Secretary; and D. B. Wheeler, Treasurer.

The exercises of the College were prosecuted without interruption during the last scholastic year. The number of students enrolled was 113, with a daily average attendance of about 90. About one-third of these were in the boys' school. The conduct and industry of the students were represented by the President of the College as being worthy of commendation.

Acting under authority delegated by the Board, the Faculty, in the early part of the year, engaged the services of Prof. B. W. Bittle as Principal of the Preparatory Department. This action was confirmed.

Prof. G. B. Cromer having tendered his resignation of the Chair of Latin, History and Political Science, and Prof. G. G. Sale the Chair of Mathematics, Pysics and Astronomy, they were accepted. Thus two important Chairs were vacated. That of Mathematics, Physics and Astronomy was immediately provided for by the election of Mr. C. W. Welsh, an alumnus of the College, who has accepted the position, and is now in the College.

At the adjourned meeting of July, Prof. B. W. Bittle was elected to the Chair of Latin, History and Political Science, which position he has accepted.

Mr. Elbert H. Aull was nominated as Principal of the Preparatory Department. He has accepted the position, and is now discharging the duties thereof.

It was ordered that the scholastic year begin with the first school day in October and end the fourth Wednesday in June.

During the past year, the College was the recipient of *its first bequest*, to-wit: *Four Hundred dollars from Mrs. CAROLINE A. SIFLEY*, deceased. This bequest was appropriated to the College Museum, and, in honor of the testatrix, the museum was named the SIFLEY MUSEUM.

Through the efficient agency of Rev. S. P. Hughes and the generosity of certain citizens of Boston, \$1,875 were secured to the College in the early part of the year towards the completion of the building and other desirable improvements upon the premises.

The Board requests Synod to print its minutes with the minutes of Synod, the Board agreeing to pay the expenses of printing, if necessary.

It will be necessary that you elect six Trustees in the place of Revs. Hawkins and Wingard, Cols. Holloway and Schumpert, Hon. Wm. Haltiwanger and Capt. G. S. Hacker, whose term of office expires with this meeting.

REPORT OF COMMITTEE ON TREASURER'S REPORT OF BACKMAN ENDOWMENT FUND.

1. The Committee would respectfully report that they have examined the report of the Treasurer of the Backman Endowment Fund, and find it correct and accompanied by proper vouchers.

2. The Committee would call the attention of Synod to the fact that there are one hundred and twelve bonds upon which no installment has been paid. There are now four installments due. There are also a number of bonds upon which only one installment has been paid; and in many more the payments do not amount to half the bond.

We recommend that Synod take some action in this important matter.

3. The Committee also recommend that the Treasurer be requested to make out with his annual report a statement of the bonds and mortgages, on whom, and for what amount.

4. We further recommend that the Treasurer and Advisory Board be requested to make a report upon the condition of their investments.

5. The Committee recommend that the Treasurer of the Endowment Fund be authorized to employ a clerk; and also to

All of which is respectfully submitted.

The Committee to whom was referred Letter No. 3 report that the letter is from Rev. C. F. Bansemer, of Jacksonville, Fla., in regard to his work at that place. In view of the importance of the facts set forth in the letter, your Committee would suggest that Bro. Bansemer be asked to present to Synod, in a succinct form, the true condition of the prospects of our Church in his field of labor, and that the statements he may make be considered by Synod when transacting business connected with mission work.

Respectfully submitted.

J. A. SLIGH,
J. H. BAILEY,
J. N. EPTING

Resolved, That having heard the interesting and promising statement of the prospects of our Church in Florida, made by Bro. Bansemer, we assure him of our heartfelt sympathy, and most earnestly commend him and the laborious field he occupies to the prayers and the efficient aid of all our pastors and churches.

Report of visitors of Rev. Dr. Smeltzer's Female College was received and adopted.

REPORT OF VISITORS TO DR. SMELTZER'S FEMALE COLLEGE.

The *Visitors* appointed by Synod to the Walhalla Female College report that they were both present at the Commencement exercises of the institution in June last, and found the school in a flourishing condition. The young ladies sustained a very fair examination, and the essays read before the large audience on Commencement day by the four graduates did honor to themselves and their teachers.

The school has grown rapidly in numbers and efficiency, and we believe it is worthy the patronage of members of our church and all others desirous of giving their daughters a substantial and finished education.

Respectfully submitted.

Your Committee suggest, that as G. S. Hacker, Chairman of Committee to transfer assets of Seminary, is present, that he be asked to make a statement to this Body as to the true condition of said Seminary Fund.

REPORT OF COMMITTEE ON PASTORATES.

Report of Committee to arrange into Pastorates all the Churches belonging to the South Carolina Synod in Lexington County south of the Saluda River. (See pages 38, 39, Minutes of 1880.)

The Committee met in Pisgah Church April 20th, 1881, when all the members were present except Rev. J. F. Probst.

After a careful and full consideration of all the interests involved, the Committee recommended the following as most expedient and judicious, under all the circumstances, viz.:

1. That the church at Leesville continue in its present Pastorate.

2. That St. John's (Calk's Road), Providence and St. Stephen's constitute Pastorate No. 4.

3. That Salem, Bethlehem, Nazareth and St. David's constitute Pastorate No. 5.

4. That Union, Pisgah, Orange Chapel and Bethany constitute Pastorate No. 6.

5. That Mt. Pleasant and St. Peter's constitute Pastorate No. —.

6. The Committee recommend Sandy Run to the prayerful consideration of Synod, feeling assured that some arrangement can be made for this congregation.

7. The Committee also recommend that the Councils of the churches now placed in Pastorate connection hold joint meetings as soon as the pastors now in charge shall have resigned, as requested by Synod, and immediately devise means for carrying out the above recommendations, and for supplying their various charges with suitable pastors.

Respectfully submitted.

P. MILLER,
H. S. WINGARD,
D. L. BOOZER,
JOHN HILLER.

Rev. Richardson, of the Methodist Church, being present, was invited to a seat among us.

Report of Committee on Letters No. 2 was received and adopted.

REPORT OF COMMITTEE ON LETTERS NO. 2.

The letters placed in the hands of this Committee are from members of churches applying for the redistricting of churches in their congregations:

1. The first are two letters—one from Orange Chapel Church, the other from Union Evangelical Lutheran Church. These churches belong to the charge composed of Orange Chapel Church, Union, Pisgah and Bethany. The letters both petition that Bethany be dropped from the charge.

For reasons satisfactory to the Committee, we recommend that these petitions be granted.

2. We have a letter from St. Paul's Evangelical Lutheran Church of Newberry County, petitioning the Synod to sever the connection existing between St. Paul's and Macedonia churches, and to place St. Paul's and Mt. Tabor in one Pastorate. We also have a letter from Mt. Tabor Church, asking that it be placed in connection with St. Paul's, if the connection between St. Paul's and Macedonia be dissolved. This arrangement will leave Macedonia alone; but we are informed that it can be supplied with regular preaching.

As this arrangement seems best, in the judgment of your Committee, for all parties concerned, we recommend that the request of these churches be granted.

Respectfully submitted.

L. K. PROBST,
J. H. W. WERTZ.

Synod resolved that Sandy Run and Bethany be allowed to make their own arrangements for preaching during the present year.

Synod adjourned with prayer by Rev. S. P. Hughes.

AFTERNOON SESSION.

Prayer by Rev. B. F. Berry.

Report of Committee on State of Religion received and adopted and ordered to be published in Lutheran Visitor.

REPORT OF COMMITTEE ON STATE OF RELIGION.

The report is necessarily incomplete, as only fifteen pastors have complied with the requirement of Synod to furnish a written statement of the religious life of their churches.

As regards the reports in our possession, we find in them much that is pleasing and encouraging, but also much that is painful and unfavorable.

We will first mention the pleasing features. As such we notice, in not a few of the churches, the attendance on Divine services is good, the attention to the preached word is commendable, the people are becoming more churchly, the membership is increasing, the young, and in one church both the young and aged, receive catechetical instruction, the Sunday

Schools are in a good condition, prayer meetings are held regularly, brotherly kindness is not wanting, and there is increased liberality. The pastors' salaries are paid promptly, a lively interest is shown in all works of benevolence, calls made for the means with which to carry on the various enterprises of the church are heartily responded to, and children's missionary societies are a success in not a few churches. Several new houses of worship have been completed, others are being built, and others have been enlarged, improved and beautified. Looking at these facts, we, in the language of one of our pastors, have no right to complain; and we add, we have great cause for grateful praise and thanksgivings to the Great Head of the Church, who has blessed and is blessing pastors and people, and are encouraged to continue to wait, to watch, to serve and to pray, not only for His continued favor, but also for His doing still greater and better things for us.

But there are other features not pleasing and not comforting to contemplate, and as such we mention: In some places, and more especially where there is only Divine worship once in two or four weeks, church attendance is irregular; there is coldness and indifference, frivolous excuses and inconsistent conduct; summer Christians, who only remember the Lord when the means are wanting to engage in worldly amusements; not a few visit other churches, when their own place of worship is open for religious services; catechization is not asked for, few children come to the Sunday School, family worship is sadly neglected, there is a great lack of liberality, contributions are small, the preachers' salaries are sometimes only paid long after due, and sometimes only a small portion is paid, and there is not only a want of brotherly love, but members of the same church are at enmity with each other. Some of the pastors state that the Church paper is not patronized. One mourns because the trees in the garden of the Lord are like the barren fig-tree; another is heavy-hearted because men live unrighteous lives; another complains of his field being too large; and there are churches in which are found parents who fail to control their children, their early training in the fear and the love of God is wanting, and they are left to the contaminating and evil influences of those who cannot fear the Lord, the Lord's day and the ordinances of His house.

These are dark spots; these are crying evils. The pastors can accomplish but little good. The Lord's cause and work cannot prosper. These things ought not so to be. We tell you of them that those who thus transgress may reform, remember their covenant vows, humble themselves before the Lord, and serve the Lord faithfully in the Church below, that on the

last day they may be welcomed by Him as good and faithful servants.

Your Committee would respectfully suggest that in all places where the Lord is not honored as He should be by professing Evangelical Christians, special protracted efforts be made for the renewal and the revival of those churches.

A. R. RUDE,
J. H. W. WERTZ,
G. DIERCKS.

Moved that the Secretary of South Carolina Synod turn over to the Building Committee of Newberry College in order to collect claims, the bond given by the citizens of Newberry to the said Synod, and that we authorize G. S. Mower, Esq., to collect and prosecute any claims coming under that bond.

Adopted.

The resignation of Rev. S. P. Hughes as a member of the Building Committee of Newberry College was accepted, and Rev. J. D. Shirey was elected to fill said vacancy.

Minutes read and approved.

The following was adopted by a rising vote:

IN MEMORIAM.

It has again become our duty to remember a departed brother and fellow-laborer in Christ—our beloved brother, D. P. Cammann.

Though, owing to his field of labor being in an adjacent State, he was but seldom with us, we had all learned to love and respect him. He served for a number of years as pastor of churches in Hanover, Germany, his native country, and he was no longer a young man when he came to America. Being highly educated and a master of several languages, both ancient and modern, he first found employment as a teacher, and afterwards held a Professorship in Roanoke College, Va., which he resigned to take charge of a German Lutheran Church in Augusta, Ga., and connected with our Synod. In this field he was successful. His evangelical preaching, his pure life, his gentle and child-like disposition and his untiring zeal won for him in a short time the devoted love and sincere attachment of his congregation, which was loath to give him up when the infirmities of advanced years compelled him to relinquish the work he loved so well and to seek rest with his sons in the West. His presence at Synod was always a cause of gratification, he was so friendly, so whole-souled, so sound of heart and so wise in counsel. We missed him when he removed from us; we mourn him now he has left us. And, although we have not been told how he died, we are confident that his latter end was peace.

He died full of years, rich in grace, in the assurance of faith, and is now with the Lord he served so faithfully.

“Blessed are the dead which die in the Lord; yea, saith the Spirit, they rest from their labors, and their works do follow them.”

Prayer by Rev. J. H. W. Wertz.

The following was adopted:

Resolved, That the Synod returns thanks to the pastor and congregation of this church and to the citizens of Orangeburg for their kind entertainment, and that the President make this announcement at to-morrow's services, and also publish the same in the county paper.

The following was adopted:

Whereas, Synod learns that there are many members of the Lutheran Church in South Carolina and Adjacent States who are not within reach of churches of our faith; and

Whereas, we are deeply concerned in the spiritual welfare of brethren; therefore,

Resolved, That this Synod authorizes and requests the Executive Committee to employ, as soon as practicable, a suitable traveling Missionary, who shall labor under the direction and advice of said committee, make stated reports to the Committee, which reports shall be published in the Lutheran Visitor.

Resolved, That all our churches be expected to aid heartily, through their Sunday Schools or otherwise, in supporting such Missionary.

The following was adopted:

Resolved, That the Secretary of the Children's Missionary Society be instructed to turn over the money in his hands to the Executive Committee of Missions, to be used in the employment of a traveling Missionary.

The following was adopted.

Resolved, That Synod has heard with great pleasure Professor Rahn's report of his labors in Greenville, and of the willingness and energy of our Lutherans in that city. The Synod recommends that the Executive Committee give to those brethren any aid in its power, and collect all information with reference to the prospects of our Church there, and, while lamenting our inability to aid them materially at present, we affectionately and earnestly implore those brethren to persevere in their noble work.

The following were elected Executive Committee of Missions:

Rev. E. T. Horn, Charleston, S. C., Chairman; Rev. A. R. Rude, D. D., Rev. L. Muller, D. D., Rev. L. K. Probst, Capt. J. H. Steinmeyer, Jr., William Ufferhardt, Esq.

The following was adopted:

Moved that all unfinished business of Missionary Society be referred to Executive Committee of Missions.

The following was adopted:

Resolved, That from the passage of this resolution no minister of this Synod shall accept a call to any charge until he shall have satisfactorily settled all pecuniary obligations contracted hereafter in the charge he is serving.

Report of Committee on Report of Treasurer of Seminary Fund received and adopted:

REPORT OF COMMITTEE ON REPORT OF TREASURER OF SEMINARY FUND.

Your Committee has examined the report, account and vouchers of the Treasurer, and find them correct.

Your Committee recommend the following action:

1. The Synod approves the course which the Treasurer has pursued.

2. The Synod approves the recommendations of the Advisory Board.

3. The Synod reappoints Gen. Rudolph Siegling, Capt. Jacob Small and A. Lengnick, Esq., an Advisory Board, and refers the bonds of doubtful value to the Treasurer acting under their advice.

Resolved, That the Treasurer of the Seminary Fund be authorized to pay to the Faculty of the Seminary the sum of \$39 for incidental expenses of the Seminary.

EDWARD T. HORN,
JOS. D. LOCKWOOD, M. D.,
J. E. HALTIWANGER.

REPORT OF G. W. DINGLE, TREASURER OF THE LUTHERAN THEOLOGICAL SEMINARY FUND.

The schedule hereto annexed contains a list of the assets of the Seminary Fund received by me from the committee appointed to transfer the same.

The Treasurer's Advisory Board, consisting of Rudolph Siegling, Jacob Small and Albert Lengnick, Esqrs., considered it best for the interest of the Fund to dispose of all doubtful or fluctuating securities held in the Fund and invest the proceeds in a sure and permanent security.

The Treasurer has accordingly, with the concurrence of the Board, made sale of the \$2,900 City of Charleston Fire Loan bonds, \$4,000 South Carolina Railroad non-mortgage bonds, 87 shares of Charleston Gas Light Company stock, and three shares of Bank of Charleston National Banking Association stock. The

proceeds of the sale of these securities have been invested in recognized consols of the State of South Carolina, as will appear by reference to the Treasurer's account accompanying this report.

The Treasurer has been unable to collect the personal bonds outstanding. The obligators have been notified, and will, it is hoped, be able to lift their bonds in the course of the current year. These bonds are all well secured by mortgages, with the exception of one bond of J. S. Schirmer for \$1,400 (which, however, is considered good), and a bond of E. H. Schirmer for \$750, which has been put in suit. The interest on all these bonds has been paid in full.

The Advisory Board strongly recommend that all personal bonds be called in and the money invested in good and safe public securities.

The following is a list of the assets of the Seminary Fund now in the hands of the Treasurer:

W. K. Backman, personal bond, May 11, 1870.....	\$2,700
J. S. Schirmer, personal bond, January 5, 1867.....	2,000
J. S. Schirmer, personal bond, October 1, 1872.	1,400
J. S. Schirmer, personal bond, May 1, 1879.....	1,300
Mrs. M. A. Daly, personal bond, January 15, 1876.....	861
E. H. Scirmer, personal bond, September 10, 1874.....	750
	<hr/>
	\$9,011
City of Charleston 4 per cent. bonds.....	1,700
City of Charleston 7 per cent. bonds.....	100
N. E. R. R. first mortgage bonds, 8 per cent.	1,500
City of Atlanta bond, 8 per cent.	1,000
South Carolina consols.....	\$1,000
South Carolina consols.....	7,000
	<hr/>
	8,000

The interest receivable from this fund amounts to \$1,385.77.

A number of personal bonds, aggregating \$11,501, principal, have been turned over to me with this fund, but are considered worthless. A list of these bonds is given in the schedule above referred to.

Respectfully submitted.

G. W. DINGLE, *Treasurer.*

NIGHT SESSION.

Prayer by Rev. A. D. L. Moser.

The following was adopted:

Resolved, That Synod has heard with pain the statement that St. John's, in Pastorate No. 10, has been compelled to resort to litigation in order to retain the use of their place of worship. We assure these brethren of our deep sympathy, and, while we hope indeed that their legal rights may be established, we pray that a method may be found and adopted whereby two congregations, each Lutheran in name, each zealous for Lutheran usages, may settle their differences peacefully.

The following was adopted:

Resolved, That the Secretary have 1,500 copies of the Minutes printed.

Resolved, That the Secretary be directed to send twelve copies of the Minutes to the Secretary of the Board of Trustees of Newberry College for the use of that body.

The following was adopted :

Resolved, That the thanks of this Synod be tendered to Capt. R. G. Flemming, Superintendent P. R. & A. R. R. for the facilities afforded to Rev. J. H. Wilson, Missionary of this Synod.

Report on Theological Seminary was received and adopted.

REPORT ON THEOLOGICAL SEMINARY.

The present session of the Seminary opened on the 1st of September. Nine students are now in attendance upon regular instruction. Of this number, three are from the Synod of South Carolina, three from those of Virginia and three from North Carolina. Others from the Virginia Synods who have finished their College course have been prevented from entering the present session by want of means.

In reporting progress and application to study, a just regard must be had to the measure of natural qualification possessed by the student. While it is not difficult for the instructor to determine the pupil's knowledge of subjects, it is far from easy for him to be assured that he employs the best possible diligence in application. With these distinctions in mind, we are able to report favorably concerning the young men now under instruction.

If we are willing to be satisfied with "comparing ourselves among ourselves," encouragement may be found in the fact that, in proportion to the membership of the General Synod, South, the number now in our Seminary is nearly double that in either of the seminaries of the English bodies North. But we are sure that no one can find comfort in such a statement. To say that our number should be the double of that now present is certainly sufficiently modest. One student of theology to every two thousand members presents an exhibition by no means encouraging for the future of the Church. When we consider that the disproportion is still greater in other sections of the Lutheran Church, the outlook is one that no man who has a true zeal for God can contemplate with indifference.

The demand for laborers in our midst is general and most urgent. That so few are ready to heed this call is wholly due to the lack, on the part of the Church, of a living interest in the subject. The primary want is money neither for education nor missions. To say that the Church has not young men enough to meet her most pressing necessities is a reproach upon her Gracious Head. The Lord has the men, but the Church must find and send them. Let the ministry be vigilant and earnest in pressing this subject upon their congregations. Let them "compel" young men into the ministry just

as well as they are enjoined to "compel them to come" into the Kingdom. In both cases, God calls through his own appointed agencies. The men and money are His, but He will perform no miracle to bring either into His service. *The best men wait to be SENT; the hireling runs without being called.*
